

WOOLIES 3 DAY RETREAT - BACK BY POPULAR DEMAND

Ursula (Uschi) Greiner lives on the Sunshine Coast. She has been doing wool applique with hand embroidery and embellishments since 2007. She is a well-known fiber artist whose current focus is contemporary folk art using her own hand-dyed wool and a wide variety of threads from around the world.

She emphasizes the fusion of dimensional embroidery and traditional needlework. As a pattern designer, Uschi is inspired by nature, the play of colour and layered textures using different mediums.

Some of Uschi's Works: Keep posted for the new project for the retreat. Uschi will have her wool and threads at the retreat for shopping!
